

The Savell Family Prayer &

MINISTRY UPDATE

Dear Friends,

"Give thanks to the LORD, for He is good, for His lovingkindness is everlasting. Give thanks to the God of gods, for His lovingkindness is everlasting" ([Psalm 136:1-2](#)).

We have been stationed at Patrick Air Force Base for more than two years now, working with Airmen, Soldiers, Sailors, Marines, Contractors, and their families. Our ministry was scheduled to end this past July 31st with my separation from Active Duty but God and the Air Force have granted us a six month extension with a new separation date of not later than January 31, 2017. We are grateful for the opportunity to continue with our "Ministry to the Military" but we know it will soon come to an end.

You may be wondering what is next for us. Well, join the club. We, too, wonder about the future but we are praying, seeking, and trusting God about it. We trust He will reveal His will to us in His timing. That does not mean we are sitting idly by doing nothing. Even as we pray I am spreading my net far and wide. I continue to send out resumes from coast to coast and all areas in between. Although we have our own desires about where we would like to live and work we are open to whatever God provides. Our answer is "Yes, Lord, yes," even before we know what He has in store for us. Please join with us in praying about our transition from the Air Force to the civilian world. Furthermore, if you are aware of a job opening you think I might be a good fit for please don't hesitate to give me a call or drop me an [email](#).

Our midlife surprise, Christian, is growing up fast. He will begin kindergarten next Monday, August 15th. We are thankful he will be able to continue in the same school he attended last year for VPK. We are also thankful that he was assigned to the teacher we wanted. Pray that he has a very good year, even if we have to move at the end of the first semester.

Speaking of August 15th, Susanne and I will celebrate 24 years of marital bliss. Although we have had our share of pain and challenges we both agree God has been and continues to be good. Last year, for our anniversary, I gave Susanne new brakes on her van. This year, I plan to get her the traditional 24th Anniversary gift of a new lawn irrigation timer and rain sensor. I think I'll also take her out to dinner. Join us in thanking God for 24 good years and praying for many, many more! "May your fountain be blessed, and may you rejoice in the wife of your youth" ([Proverbs 5:18](#)).

Finally, many of you have also been praying for my dad, Harry, as he has undergone treatment for stage 4 colon cancer. He recently completed his treatment and will be undergoing scans and getting the results the week of August 22nd. Please join us in praying for good results even as we trust God for His will and provision.

Thank you again for your continued prayers for us. Please let us know how we can pray for you. May God bless you and your family!

Blessings,

Scott, Susanne, and Christian

Praying for Alaska

For those unaware, my family and I spent three years living, ministering, and enjoying ourselves in Alaska. The summers were short and mild; the winters long and dark. I think we broke every winter snow weather record over the course of our sojourn there. [Continue Reading](#)
